Dear HGBA parent(s) & guardians:

Holy Ground Baptist Academy is proud of the athletic programs and opportunities we offer our student body. As you know, extra-curricular activities are a vital part of a well-rounded school experience.

We are currently undergoing field renovations at our home field in Roopville. A generous donation has kick-started the project, but additional funds are needed to complete it, as well as to fund the on-going expenses related to the day-to-day operations of the athletic program for your sons and daughters.

You are invited to be a charter member of the HGBA Athletic Booster Club.

Charter Memberships available for \$25 donation.

This organization will support the various teams sponsored by Holy Ground from Recreation League sports all the way to Varsity League sports. Volunteering at games and participating in fund raisers builds school unity and enables us to provide quality opportunities for your children to develop their talents and skills outside the classroom.

We have a skilled teaching and coaching staff dedicated to helping your child become all he or she can be. We look forward to partnering with you through the Athletic Booster Club to improve our athletic program and grow our school.

Join with us today!

David Edwards, President
Patrick Denney, Vice President
Bart Gillespie, Treasurer
Jamie Perry, Athletic Director
