	\$95	\$120

**Catastrophic Insurance Fee** (this is an additional one time annual fee per student) **\$7.00 per year**

### Not included in Athletic Fees

If you are participating in cheerleading and volleyball, the fee is: \$200 for HGBA students or \$245 for home schoolers, if paid by July 13<sup>th</sup>. It will be \$245 for HGBA students or \$285 for home schoolers, if paid after July 13<sup>th</sup>. This will be enforced in the 2014/2015 season.

All participants must sell \$100 in ads for the program. If you choose not to sell ads, an additional \$100 will be added to your participation fee. After selling \$400 in ads, you will earn \$50 to be credited to your athletic fees. Every \$100 sold in ads after this amount will earn you an additional \$50 towards athletic fees. You are only expected to sell ads for one sport and they are due by **July 18<sup>th</sup>**. Booster club sponsorships are equivalent to program ads. If we have already finished selling ads you will need to add \$100 to your cost for the first sport you play. You may at anytime sell corporate sponsor packages. They will be \$300. This will be for an outdoor banner displayed at all home games.

Anyone with multi-athletes can take \$20 off of each additional athlete for athletic fees. For example, HGBA students would owe \$120 for 1<sup>st</sup> athlete and \$100 for the 2<sup>nd</sup> athlete and \$100 for the third.

**Thanks for your support!**
