Concussion Information and Acknowledgement Form

Parent and Student:

It is important that parents and students are educated about concussions. All concussions are serious, and concussions can occur in any sport.

- 1. Definition of Concussion: A brain injury that interferes with the normal brain function.
- 2. Cause of Concussions: A bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth.
- 3. Signs and Symptoms of Concussions:

Headache **Slurred Speech Answers Questions** Nausea Slowly **Moves Clumsily** Vomiting Sensitivity to Light or Dizziness **Balance Problems** Noise Confused **Forgets Instruction** Unsure of Game, Score or Sluggish Numbness/Tingling Opponent **Shows Mood, Personality Fatigue Loses Consciousness Blurry Vision Concentration Problems** or Behavior Changes **Slowed Thought Process Cannot Recall Events** Memory Loss **Appears Dazed Difficulty Thinking Clearly Prior To or After Injury**

- 4. In accordance with Georgia Law, the following must occur if an individual exhibits signs, symptoms or behaviors of a concussion:
 - a. The individual shall be immediately removed from practice or competition.
 - b. The individual suspected of having a concussion shall be seen by an appropriate health care professional before the individual can return to athletic participation.
 - c. The individual shall not return to practice or competition the same day the concussion or suspected concussion occurred.
 - d. If no concussion has occurred, the individual can return immediately to practice or competition
 - e. If a concussion has occurred, the individual cannot return to participation in practice or competition until medically cleared by an appropriate health care professional.
 - f. An individual could never return to participation if the individual still has any symptoms of a concussion.
 - g. After clearance has been issued, the individual's actual return to participation in practice and competition should follow a gradual procedure suggested by the National Federation of High Schools and directed by the appropriate health care provider clearing the athlete for activity.
 - h. An appropriate health care profession may include licensed doctor or another licensed individual under the supervision of a licensed doctor such as a nurse practitioner, physician assistant, or certified athletic trainer who has received training in concussion evaluation and management.
- 5. The following information can be found online and is recommended for parents and students to read concerning concussions:
 - a. NFHS Suggested Guidelines for Management of Concussion in Sports.
 - b. NFHS, A Parent's Guide to Concussions in Sports
- 6. Parent and student should sign the form below. The school and parent should maintain a copy of this form.

I have read this form and I understand the facts presented in it.
